

Batman: False Faces

Gotham City is plagued with crime and corruption in places high and low, but one man has taken a stand against evil of all forms: the dark avenger known as Batman. Bruce Wayne adopts the guise of Matches Malone - the seedy identity he uses to infiltrate the Gotham underworld - but when Matches is shot, Batman has to determine what really happened...and how Scarface is involved! Plus Batman takes on the Mad Hatter, and Wonder Woman and Donna Troy square off against Clayface! Written by award-winning Pride of Baghdad and Y: The Last Man author Brian K. Vaughan, with art by an array of stars including Scott McDaniel (Green Arrow), Scott Kolins (The Flash) and Rick Burchett (Batgirl), this collection is worth facing up to!
