

# Force-on-force Gunfight Training: The Interactive, Reality-Based Solution

Internationally acclaimed combat shooting instructor Gabe Suarez shows why intense interactive training with replica firearms against live human adversaries under real-world conditions is essential to the complete development of the gunfighter. In addition, he tells you how to implement it, presenting specific drills and scenarios and addressing role-playing, levels of simulation, ranges of conflict, use of cover and low-light considerations, as well as addressing safety issues and equipment concerns.
