

Grace Gifts: Celebrating Your Children Every Day

Grace Gifts is not meant to be another book of standards for you to try and measure up to. It is not just another to do list for you to follow. Author and mom of two homeschool graduates, Gina Smith, directs you away from rules and lists, and the striving and fear that go with them, and encourages you to relax, to enjoy your children, and learn how to see them as the amazing individuals God made them to be.

Join Gina as she shares practical ways in which we can celebrate our children, at any age, by lavishing them with grace, helping them to gain an understanding of what God does for each of us on a daily basis.
