

Start Quilting with Alex Anderson: Six Projects for First-Time Quilters, 2nd Edition

You want to make a quilt, but you can't tell a rotary cutter from a seam ripper - until now, that is. With this newly updated classic, Alex Anderson, host of HGTV's *Simply Quilts*, helps you ease into the world of quilting, ensuring that your first quilt will be a success! 6 simple, rotary-cut projects to get you started - no templates, no fear!; Alex teaches you the basics of fabric choices, equipment, and techniques, then walks you through each step of the cutting and piecing process; Lessons on batting, basting, quilting, and binding help you finish your quilt; Includes both right-handed and left-handed rotary cutting instructions, plus a liberal sprinkling of Alex's practical tips
