

# Mediterranean France & Corsica Pilot

This is a comprehensive companion to the long coastline which ranges from Spain and the edge of the Pyrenees to the Alpes Maritimes and Italy. It covers the flat country of Languedoc-Roussillon, the coast of the Golfe du Lion, the Rhone delta and the Camargue, the industrial Golfe de Fos, the Cote dAzur and the French Riviera and Monaco. The island of Corsica and the waterways that run behind the coast linking the Canal du Midi and the etangs to the Rhone are covered in separate chapters. For this fourth edition there are new and updated plans, new photographs and new sections on routes. The introduction has been reorganized to provide better information on getting to the area, formalities and weather and radio services.
