

Written by a guitarist for a guitarist, Basic Pro Tools for Guitarists is the perfect way to get started recording with Pro Tools. Designed for guitarists of all skill levels, this book includes clear, easy-to-understand explanations on everything you need to know to get going. Topics include acoustic properties, microphone techniques for acoustic and electric guitars, basic Pro Tools LE functions, effects, plug-ins, and tips on recording, overdubbing, and mixing. Author Richard McIlvery has over 40 years of experience in the music industry. His unique perspective and approach will demystify the recording process for every guitarist. The included DVD guides you through the steps to making great recordings.
