

Shots: An American Photographers Journal 1967-1972

More than 100 vivid black and white photographs intimately capture the intensity of a time when idealism and the passion of youth fed the counterculture movements that forever rocked our social foundations. Featuring candid, behind-the-scenes commentary by photographer David Fenton now CEO of a national public relations firm Shots follows some of the most historic moments and notorious personalities of the turbulent 60s, highlighting the spirit of rebellion and civil unrest that would ultimately shape a generation.

This exhibition celebrates the publication of SHOTS: An American Photographers Journal 1967-1972 (Earth Aware Editions, 2005) which brings together the collection appears in Fentons new book, titled SHOTS: An American Photographers Journal 1967- 1972, to be published by Earth Aware Editions on April 15, 2005.
