

Sherlock Holmes: Liverpool Demon #2 (of 5)

The streets of Liverpool are abuzz with rumors of a demon known as Spring Heeled Jack loose in the city. Sherlock Holmes and Doctor Watson visit the city Bridewell to examine the body of one of Jacks supposed victims but find the officer in charge, Inspector Thornton, unimpressed by The Great Detectives reputation. Meanwhile, a collection of mysterious, eldritch Australian Aboriginal artifacts arrive at the William Brown Museum while, in the citys underworld, crime lord Mr. Drummond comes up with a novel solution to the problem of a lost dog.
