

Wolverine (2003-2009) #42

Marc Guggenheim, a veteran writer for TVs *The Practice*, *Law & Order*, and most recently, *CSI*, is joined by fan-favorite artist Humberto Ramos (*SPECTACULAR SPIDER-MAN*) for this *CIVIL WAR* tie-in arc. In the aftermath of the Riverbank Tragedy, Logan makes it his personal mission to take down the man responsible. No sooner does he begin his hunt, however, than he discovers that someone else is stalking the same prey: a mysterious trio whose identity -- and disturbing mission -- will come as a shock to many! If Logan's unsettled by who these guys are, then just wait until he discovers who they answer to!
